Credits, GPA and Transcripts

Every west Yellowstone course you pass earns credits .5/semester/course

Cumulative GPA is the total from all of your classes

Every course you take for a letter grade will affect your GPA

Even if you have already been accepted to a college your GPA matters

Your transcript is a record of all of your class work

All of your courses will go on your transcripts with a grade

You will have to submit final transcripts to colleges (if that is your path)

Self Service

Transcripts- IC, the student portal will display everything you have, taken, gpa, class rank and test scores

Parchment- create an account and you will be able to order your own transcripts to be delivered

Community Service forms are available on my web page

ACT or SAT registration or score report request must go through the appropriate company, I can not provide you with official scores (act.org or collegeboard.org)

Scholarships

Some scholarships are currently open, others open later in the year
